

NO. _____

Underground Utility Cable Application

Guidelines for applying for underground permit

- Please fill out permit and return to County Road office.
- Permit needs to be approved by Road Superintendent before work begins.
- Land owner is responsible for calling Diggers Hotline to mark any utilities before work begins.
- Please contact the Howard County Roads Dept. 24 hours before you start any work. 308-754-5364.

Date _____

To the Howard County Road Department
Howard County Nebraska

I request permission to bury _____ cable under the roadway between (legal
Description) _____

I plan to bury cable 36” deep. There will be a minimum of 36” of fill dirt over cable. No open trenches will be left overnight. The trench under the County roadway will be compacted. I will notify the Howard County Road Dept. 24 hours before construction. The cable location will be marked with permanent warning signs on both sides of the roadway at the approximate Right-of-way lines.

Howard County will not be held responsible for any accidents or mishaps which may occur during construction or for any damages to the structure after construction.
